

Blue Door Society

Boys & Girls Clubs of Central Ohio is fortunate to have committed and loyal supporters who care deeply about young people and their futures. We celebrate these passionate individuals each year through special giving societies.

The **Blue Door Society** was created to inspire and recognize individuals who make generous gifts of \$1000 or more during the calendar year.

Becoming a Member

Individuals can join the Blue Door Society by making a gift or pledge of \$1000 or more during the calendar year. All pledges will be recognized in the society upon completing and submitting the 2023 Pledge Form, and payments can be deferred until December 31, 2023. Donors also have the opportunity to make multi-year pledges to ensure membership for successive years.

Society Benefits

Blue Door Society members receive special benefits for their commitment:

Blue Door Society Benefits	
Invitation to Youth of the Year	X
Recognition in Annual Report	X
Recognition in Newsletter	X
