

Great Futures Society

Boys & Girls Clubs of Central Ohio is fortunate to have committed and loyal supporters who care deeply about young people and their futures. We celebrate these passionate organizations each year through special giving societies.

The **Great Futures Society** was created to inspire and recognize corporations and foundations who make generous gifts of \$10,000 or more during the calendar year.

Becoming a Member

Corporations and Foundations can join the Great Futures Society by making a gift or pledge of \$10,000 or more during the calendar year. All pledges will be recognized upon completing and submitting the 2023 Pledge Form, and payments can be deferred until December 31, 2023.

Donors also have the opportunity to make multi-year pledges to ensure membership for successive years.

Society Benefits

Great Futures Society members receive special benefits for their commitment:

Great Futures Society Benefits	
Invitation to Youth of the Year	X
Recognition in Annual Report	X
Recognition in Newsletter	X
